Summary

Ex-founder, 15 years in tech — from startup to scale-up. Multiple experiences in B2B SaaS, AdTech & e-commerce across product, UX and delivery. Drives product vision with stakeholders, challenges the status quo and follows teams through to delivery.

Experience

SustainSoft

Remote

Co-founder & CPTO, SaaS B2B

2021 – 2026

- Scaled from 0 to 100+ B2B customers; Techstars Paris '22 alumni
- Raised a seed round; served as Board member
- Built and operated the B2B SaaS end-to-end solo: front-end, back-end, UX, AI, hosting, maintenance, deployment
- Owned product strategy and roadmap from ideation to MVP to production

Adot (acq. by Veepee)

Paris, France

Head of Product, AdTech

2017 – 2021

- Strategy, definition and delivery of new products
- Presented and aligned internal teams and clients on the roadmap
- Scaled the team from 30 to 100+ employees and revenue from €6M to €24M
- Led M&A / due diligence efforts

Altima (acq. by Accenture)

New York City, United States

Director of Analytics, E-commerce / Lead gen

2016 – 2017

- Led the conversion rate optimization (CRO) team for e-commerce and lead-gen interfaces
- Delivered conversion gains from -4% to +9%
- Designed client proposals and led optimization follow-up
- Ran audits and communicated results

MFG Labs (acq. by Havas)

Paris, France

Account Manager, Big data / Web agency

2013 – 2016

- Managed projects, sprints, standups, planning & QA
- Launched a corporate site, an e-commerce platform and a second-screen app
- Coordinated vendors and client stakeholders
- Defined, tracked and reported on product KPIs

Altima (acq. by Accenture)

Paris, France

Conversion Consultant, E-commerce / Lead gen

2012 – 2013

- Conversion rate optimization (CRO) of interfaces through UX
- Achieved conversion gains up to +19%
- Owned pre-sales through to client reporting (UX and results)
- Performed data analysis and configured testing/analytics tools

Education

HETIC

Master of Computer Science

2011 – 2013
